

## THE ACLU PLANS MASSIVE EXPANSION

Recently, the American Civil Liberties Union (ACLU) announced its \$335 million expansion plan into the heartland of America—targeting eight key battleground states including Texas. The ACLU is an organization notorious for stealing freedom of religion and speech, oppressing Christians, and attacking traditional family values. What does their push into Texas mean for you and your family?

### The ACLU's Top 10 Plans to Hurt You and Your Family...
